Teachers Are Protected from Walk-In Parent Conferences

All parent conferences must be scheduled in advance. No parent should appear at a teacher's door and demand a parent conference then and there.

All parental requests for parent conferences shall be honored (K-12). When a conference which is not regularly scheduled is requested by a site administrator, the Bargaining Unit member shall be notified a minimum of one (1) day in advance except in those situations when a delay in the conference will result in great personal hardship to the student and/or parent/guardian. In such cases the site administrator or the administrative designee shall notify the Bargaining Unit member with respect to the reasons for the conference. These emergency requests shall be honored within the Board Day without interrupting instruction unless the Bargaining Unit member has a prior commitment to a District related responsibility or is unable to meet due to illness. (Article IV. 6)

If a parent comes to your classroom for an immediate parent conference, send the parent to the office or contact the office. If an administrator brings a parent to your classroom for an immediate parent conference contact a Building Rep as soon as possible.

Staff Restrooms Are To Be Serviced Daily

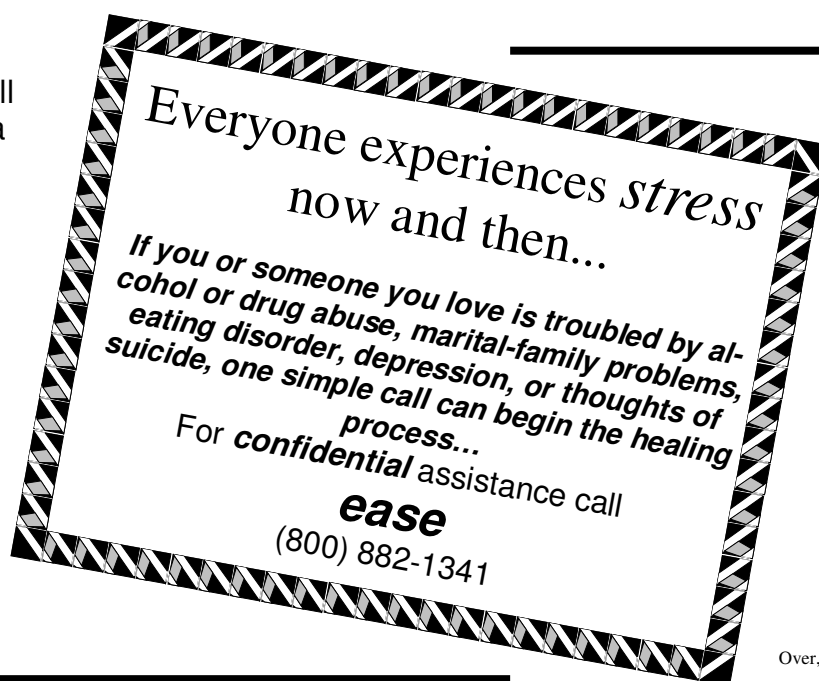

The Contract states that staff restrooms shall be maintained and adequately supplied on a daily basis. (Article. XVII. D.8.) Concerns should be directed to the site principal.

CTA Pocket Calendar

CTA pocket calendars will be available through the MTA office in the beginning of November. The calendars are usually available in August. This year they were delayed in shipping.

MTA Desk Calendars

MTA desk calendars were not printed. The expense for the calendars was prohibitive and not included in the Association budget.
