Celebrate May 13—California Day of the Teacher

This May 13th, educators around the state will mark the 33rd anniversary of California's Day of the Teacher. To honor them and to demonstrate their impact, CTA has chosen "*California Teachers: Where School Innovation Begins*" as this year's theme.

We all know our communities share our goals for quality public schools and recognize public education as being the cornerstone for strong communities. But it's also up to us to build those vital relationships with parents, community organizations, local businesses, other unions, the faith community and seniors. We are all part of that community and we will best succeed when we work together.

California's Day of the Teacher has its roots in the community and is patterned after the celebration of the traditional "El Dia del Maestro," which is observed in Mexico and Latin America countries. Our California's Day of the Teacher arose out of legislation co-sponsored by CTA and the Association of Mexican American Educators in 1982.

A Gift From Camino Federal Credit Union

Camino Federal Credit Union will be sending a hot/cold pack to each member of the Association. The Credit Union has worked collaboratively with the Association each year to honor educators throughout the District.
