Join In! State-Wide Common Core Training Offered Friday, July 31

The Instructional Leadership Cohort Representatives Encourage Participation

On Friday, July 31, 2015, more than 20,000 California teachers will gather at [33 locations](#) across the state for *Better Together: California Teachers Summit*, an opportunity to connect with other teachers, share what's working in classrooms throughout the state and learn cutting-edge strategies to implement the California Standards, including the Common Core. The program will include nationally renowned speakers, educational presentations titled "EdTalks," and facilitated discussions led by teachers and for teachers. You will walk away with access to resources and concrete tools you can immediately use in your classroom. The event is **FREE** to all California PreK-12 teachers and teacher candidates. **The event also offers a .5 unit continuing education credit for teachers who attend and pay a minimal enrollment fee.**

This event is a cooperative project of the New Teacher Center, the Association of Independent California Colleges and Universities (AICCU) and California State University (CSU).

We encourage you to register for this opportunity today! Go to www.cateacherssummit.com to learn more, find the location nearest you and register for the free day of learning.

Please also consider sharing this opportunity with your colleagues and network. A flyer is attached below.

CTA Instructional Leadership Cohort Grows to 7 District Members

Educators are transforming the profession by preparing each other to best handle the new Common Core State Standards and share best practices with each other. After all, professional educators know best what works in the classrooms and what works best to reach all students. With new strategic partnerships and new approaches to professional development, CTA is breaking new ground and is at the forefront of teacher-driven education reforms that will benefit all schools and all students.

The Instructional Leadership Corps (ILC) is a three-year project to build a statewide network of accomplished classroom teachers and other education leaders who will support the implementation of school-wide professional learning on the Common Core Standards in ELA and Mathematics, and the Next Generation Science Standards. The first cohort of 184 educators has been engaged in professional development this year and planning is underway for the second cohort for the 2015-16 school year.

MUSD ILC Members: David Keys (MHS), Gabriela Orzco-Gonzalez (MGE), Gladys Garcia (MGE), Janice Shah (MHS), David Hernandez (LMI), Angelica Paz (LMI), and Helen Meltzer (WGE, principal)
