CTA STATEWIDE DAY OF ACTION

CTA is inviting you to join in our national day of action at local school sites on Monday, May 1, 2017.

This is a great opportunity for educators to organize at school sites and connect with their community to ensure public schools:

- ▶ Welcome and include all children, especially those targeted because of their ethnicity and/or immigration status.
- ▶ Provide safe learning environments for all students regardless of family circumstances, where they live, where they were born, how they look, who they love, or the language they speak
- ▶ Serve as centers of communities and rely on community input, rather than turning over neighborhood schools to private entities that take resources away from public school classrooms.
