Accruing Sick Leave May Be Beneficial to You Over Time

Each year Bargaining Unit members accrue sick leave. Full time K-12 Bargaining Unit members earn 12 days per year, and Adult Education Bargaining Unit members earn 1 hour per 17 hours of expected work. All sick leave can be accrued and expended in following years.

- Accrued sick leave increases retirement compensation.
- Accrued sick leave transfers from one school district to the other.
- Sick leave allows Bargaining Unit members to retain employment throughout long term illness.

You Can Sell Back Sick Days

Members who were first employed by the District subsequent to July 1, 1980 may sell back current sick leave plus 10 additional accrued sick days upon resignation from the District. Payment will be made at the current rate of substitute pay (\$160/day). Requests are due to Payroll no later than **July 15 at 4 p.m.** A form is available on the district website and MontebelloTeachers.org.

Members of the Executive Committee volunteered at the Montebello Commerce YMCA Healthy Kids Day. Participants were encouraged to imagine their futures.
