California Educators:

At the heart of communities, powering our future

The California Department of Education encourages all to recognize May 11, 2022 as California Day of the Teacher. California Day of the Teacher arose out of legislation co-sponsored by the California Teachers Association and the Association of Mexican American Educators. Senator Joseph Montoya wrote the bill and it was adopted in 1982. California has patterned its celebration after the traditional El Dia del Maestro festivities observed in Mexico and other Latin American countries.
