Uniquely MTA — The Trust Retiree Health Benefits

The Montebello Teachers Association is the only Association that provides reimbursement for health insurance for life. The District provides health insurance to qualified retirees through age 67. The Association, in coordination with Medicare, reimburses individuals for lifetime benefits beginning at age 67, with a maximum reimbursement of \$500 per month.

The plan is supported by Trust Fund Contributions from members and retirees below the age of 67. The Trust Fund Committee members are: President David Navar (MTA), Elizabeth Gasca (RPS), Roshan Shah (MHS), Andy Shinn (BGI), and Julian De La Torre (Retiree). Executive Director Jill Marucut is an ex-officio non-voting trustee. The Summary Plan Description and a short video explaining the Trust Fund is available at MontebelloTeachers.org.

Trust Fund Contribution Increases By \$50 per Month

The MTA Retiree Supplemental Health Plan (MTA-RSHP) is also separate from MTA dues. MTA-RSHP is commonly known as the Trust Fund. These funds are used to provide health coverage beyond the age at which the District stops paying for coverage (age 67). Since 1987 all eligible retired members have had lifetime health coverage. The Trust Fund Committee reviews actuarial information through out the year in addition to the cost of insurance and the earnings from investments. The contribution was increased by \$50 per month. It is \$250 per month (\$2500 per year) in 2023-2024.

The next Council is on **Tuesday, September 19th at 4:00 PM at the MTA Conference Center**. Please note that future Rep Councils are expected to take place in-person.
