

MTA RESOLUTIONS

The MTA Representative Council approved two Resolutions after the November election. These Resolutions show our stance in supporting all of our students during challenging times.

One Resolution declares our support for migrant students and their families, and the other shows our support for LGBTQ students, their families, and district staff. Check out the links to the Resolutions and to helpful resources for migrant students and their families.

MTA plans to have more protest actions at the next three Board Meetings on Feb. 5, Feb. 19, and Mar. 5. We are asking all members to stand together and support these actions starting at 5:30 p.m. in front of the District Office. We need large numbers to get media attention. We also encourage many of you to make public comments against the RIF at these Board Meetings. Invite community members to support us!
