## Lisa Ibañez is Our Candidate

Volunteer to help elect Lisa to the MUSD Board of Education.

We meet every Saturday at 9:00 a.m. at the MTA Office.

We go out into the community to talk to voters and pass out flyers for Lisa's campaign.

### Why should I help Lisa's campaign?

1. We are a team, and we work together for the benefit of everyone on our team.
2. We need another advocate on the Board who is focused on bringing positive change that honors students, families, teachers, and support staff. Lisa is an educator like us, and she will stand with us to improve education at MUSD.
3. Lisa is an advocate for Special Education. She was a special education student herself. She knows what it's like to overcome challenges and achieve her goals. She has plans to support and strengthen our SPED program.
4. Lisa is a social worker. She understands the importance of providing social and emotional support for our students, and she knows how to get more resources to MUSD.
5. If you are concerned about the future, especially the ramifications of declining enrollment and the need to negotiate a new contract with the district this year, you can help build MTA strength by working to make Lisa's campaign successful.
