

## **We're Bargaining!**

The MTA Bargaining Team has carefully examined the Bargaining Survey and the input provided by members at Bargaining Forums and Faculty Club Meetings attended by President David Navar.

The entire Collective Bargaining Agreement is open for negotiations for 2024-2027. MTA opened the article on Community Schools due to a reopener clause pegged to the district receiving the \$8 million in Community Schools Grant funding. MTA and MUSD signed an MOU on Community Schools on October 17 providing for certificated academic support personnel for the community schools.

MTA and MUSD attempted to Sunshine the entire contract at the October 2 Board Meeting. Unfortunately, both this and the October 16 Board Meeting were canceled due to a lack of quorum by the Board Members. The Sunshine proposals will now be on the November 6 Board Agenda.

Once the Sunshine proposals are made public at the next Board Meeting, MTA and MUSD will begin to negotiate other articles.
